Re: United States v. Johnny Morgan, 12 Cr. 223 (VM)

Dear Judge Marrero:

I write to request that the Court extend the motions-in-limine deadline to next Monday September 23. The Government joins in this request.

I make this application for two reasons: (1) I was appointed counsel for this September 30 trial on September 4 and am still getting up to speed on the case and the likely evidentiary issues, and (2) the government and the defense are in active discussions about stipulations and other evidentiary issues, in which we hope to eliminate the need for some of the motions that might be filed.

Respectfully submitted,

Rita M. Glavin
